

UNDERGROUND STORAGE TANK ASSESSMENT AND REMEDIATION CONFERENCE

Presented by the Alabama Department of Environmental Management

GORDON PERSONS BUILDING AUDITORIUM
MONTGOMERY, ALABAMA

April 13 & 14, 2015

You are invited to attend the 2015 Alabama UST Assessment and Remediation Conference. During the two-day conference, the Department will discuss various topics of concern to environmental firms performing assessment and remediation activities under the Alabama Underground Storage Tank program.

Some of the topics to be discussed include the following:

- Alabama Underground and Aboveground Storage Tank Trust Fund Update
- Trust Fund Unit Rate Cost Proposals and Payment Requests
- Investigation Derived Waste
- Redevelopment of UST Sites
- Free Product Removal
- Groundwater Cleanup System Optimization
- Assessment and Monitoring Requirements
- Permit Requirements/Approvals for Corrective Actions
- Case Studies of Cleanup Technologies
- Risk- Based Corrective Action
- Other Topics of Interest.

All environmental firms performing assessments and remediation at UST sites are invited to attend. All approved Alabama Tank Trust Fund Response Action Contractors are ***strongly encouraged*** to attend to obtain critical information on procedural issues. Vendors and subcontractors who provide assessment and remediation services are invited to attend the conference as well.

If you would like to make a presentation at the conference regarding an assessment or corrective action issue, please send information regarding your proposed presentation to Dorothy Malaier at dsm@adem.state.al.us or at the following address by March 2, 2015:
