

ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

IN THE MATTER OF:)
)
Don Brown)
Danville, Morgan County, Alabama)

****Proposed****
ADMINISTRATIVE
ORDER NO: 20-__-AP

FINDINGS

Pursuant to the provisions of the Alabama Environmental Management Act, Ala. Code §§ 22-22A-1 to 22- 22A-17, as amended, the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended, the Alabama Department of Environmental Management (hereinafter, the “Department” or “ADEM”) Administrative Code of Regulations (hereinafter, “ADEM Admin. Code R.”) promulgated pursuant thereto, and the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended, the Department makes the following FINDINGS:

1. Don M. Brown (hereinafter, “Brown”) owns real property located at 1704 Kirby Bridge Lane in Danville, Morgan County, Alabama (hereinafter, the “Site”).
2. The Department is a duly constituted department of the State of Alabama pursuant to Ala. Code §§ 22-22A-1 to 22-22A-17, as amended.
3. Pursuant to Ala. Code § 22-22A-4(n), as amended, the Department is the state air pollution control agency for the purposes of the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended. In addition, the Department is authorized to administer and enforce the provisions of the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended.

4. ADEM Admin. Code r. 335-3-3-.01(2)(b)1 states that "...open burning must take place on the property on which the combustible fuel originates."

5. ADEM Admin. Code r. 335-3-3-.01(2)(b)4 states that "Only vegetation and untreated wood may be burned. It is unauthorized to open burn heavy oils, asphalt products, plastics, vinyl materials, insulation, paper, cardboard, natural or synthetic rubber, salvage or scrap materials, chemicals, garbage, treated or painted wood, or any trash."

6. On June 18, 2020, during an unauthorized solid waste dump (UAD) complaint investigation, Department personnel observed evidence of unauthorized open burning of large amounts of imported vegetation and various refuse at the Site.

7. On June 24, 2020, the ADEM Land Division issued a Notice of Violation (NOV) regarding the UAD and unauthorized open burning.

8. On July 19, 2020, Brown responded to NOV via text messaging.

9. Pursuant to Ala. Code § 22-22A-5(18)c., *as amended*, in determining the amount of any penalty, the Department must give consideration to the seriousness of the violations, including any irreparable harm to the environment and any threat to the health or safety of the public; the standard of care manifested by such person; the economic benefit which delayed compliance may confer upon such person; the nature, extent and degree of success of such person's efforts to minimize or mitigate the effects of such violation upon the environment; such person's history of previous violations; and the ability of such person to pay such penalty. Any civil penalty assessed pursuant to this authority shall not exceed \$25,000.00 for each violation, provided however, that the total penalty assessed in an order issued by the Department shall not exceed \$250,000.00. Each day such violation continues shall constitute a separate violation. In arriving at this civil penalty, the Department has considered the following:

A. SERIOUSNESS OF THE VIOLATION: Brown conducted unauthorized open burning of imported vegetation and various refuse. The Department considers this violation to be serious.

B. THE STANDARD OF CARE: There appeared to be no care taken by Brown to comply with the applicable requirements of the ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. ECONOMIC BENEFIT WHICH DELAYED COMPLIANCE MAY HAVE CONFERRED: Brown likely derived economic benefit by not legally disposing of vegetation and refuse.

D. EFFORTS TO MINIMIZE OR MITIGATE THE EFFECTS OF THE VIOLATION UPON THE ENVIRONMENT: There were no efforts by Brown to mitigate possible effects of this violation upon the environment.

E. HISTORY OF PREVIOUS VIOLATIONS: Brown does not have a history of previous violations with the Department for violating the Open Burning Regulations.

F. THE ABILITY TO PAY: Brown has not alleged an inability to pay the civil penalty.

G. OTHER FACTORS: The Department has carefully considered the six statutory penalty factors enumerated in Ala. Code § 22-22A-5(18)c., *as amended*, as well as the need for timely and effective enforcement, and has concluded that a civil penalty herein is appropriate (*See* "Attachment A", which is hereby incorporated into these Findings).

ORDER

Based upon the foregoing FINDINGS and pursuant to Ala. Code §§22-22A-5(10), 22-22A-5(12), 22-22-5(18), and 22-28-18, *as amended*, it is hereby ORDERED:

A. That, not later than forty-five days after the issuance of this Order, Brown shall pay to the Department a civil penalty in the amount of \$3,000.00 for the violation cited herein. Said penalty shall be made payable to the Alabama Department of Environment Management by certified or cashier's check and shall be submitted to:

Office of General Counsel
Alabama Department of
Environmental Management
P.O. Box 301463
Montgomery, Alabama 36130-1463

B. That, immediately upon receipt of this Order and continuing thereafter, Brown shall ensure immediate and future compliance with ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. That, should any provision of this Order be declared by a court of competent jurisdiction or the Environmental Management Commission to be inconsistent with Federal or State law and therefore unenforceable, the remaining provisions hereof shall remain in full force and effect.

D. Except as otherwise set forth herein, this Order is not and shall not be interpreted to be a permit or modification of an existing permit under federal, State or local law, and shall not be construed to waive or relieve Brown of his obligations to comply in the future with any permit or other written direction from the Department.

E. That, issuance of this Administrative Order does not preclude the Department from seeking criminal fines or other appropriate sanctions or relief against Brown for the violation cited herein.

F. That, failure to comply with the provisions of this Administrative Order shall constitute cause for commencement of legal action by the Department against Brown

for recovery of additional civil penalties, criminal fines, or other appropriate sanctions or relief.

ORDERED and ISSUED this _____ day of _____, 2020.

Lance R. LeFleur, Director
Alabama Department of Environmental
Management
1400 Coliseum Boulevard
Montgomery, Alabama 36110-2059
(334) 271-7700
