

ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

IN THE MATTER OF:)
)
Jeffery A. Beck)
Albertville, Marshall County, Alabama)

****Proposed****
ADMINISTRATIVE
ORDER NO: 21-__-AP

FINDINGS

Pursuant to the provisions of the Alabama Environmental Management Act, Ala. Code §§ 22-22A-1 to 22- 22A-17, as amended, the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended, the Alabama Department of Environmental Management (hereinafter, the “Department” or “ADEM”) Administrative Code of Regulations (hereinafter, “ADEM Admin. Code R.”) promulgated pursuant thereto, and the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended, the Department makes the following FINDINGS:

1. Jeffery A. Beck (hereinafter, “Beck”) owns and operates Quality Rental Property, LLC. Beck owns real property located at 1316 South Broad Street in Albertville, Marshall County, Alabama (hereinafter, the “Site”).

2. The Department is a duly constituted department of the State of Alabama pursuant to Ala. Code §§ 22-22A-1 to 22-22A-17, as amended.

3. Pursuant to Ala. Code § 22-22A-4(n), as amended, the Department is the state air pollution control agency for the purposes of the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended. In addition, the Department is authorized to administer and

enforce the provisions of the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, *as amended*.

4. ADEM Admin. Code r. 335-3-3-.01(2)(b)1 states that "...open burning must take place on the property on which the combustible fuel originates."

5. ADEM Admin. Code r. 335-3-3-.01(2)(b)4 states that "Only vegetation and untreated wood may be burned. It is unauthorized to open burn heavy oils, asphalt products, plastics, vinyl materials, insulation, paper, cardboard, natural or synthetic rubber, salvage or scrap materials, chemicals, garbage, treated or painted wood, or any trash."

6. On November 12, 2019, the Albertville City Ordinance Officer investigated a complaint of unauthorized dumping and burning at the Site and informed Beck to cease all unauthorized dumping and burning.

7. On February 19, 2020, the Albertville Fire Department responded to a call at the Site and observed furniture, plastic materials, and other various refuse being illegally burned in a pit.

8. On March 3, 2020, the Marshall County EMA notified the Department of the unauthorized open burning at the Site.

9. On September 29, 2020, the Department issued a Notice of Violation (NOV) to Beck regarding the unauthorized burning at the Site. On October 15, 2020, the Department received a response to the NOV from Beck admitting to burning wood furniture, bedding and other yard debris from his rental properties.

10. Pursuant to Ala. Code § 22-22A-5(18)c., *as amended*, in determining the amount of any penalty, the Department must give consideration to the seriousness of the violations, including any irreparable harm to the environment and any threat to the health or safety of the public; the standard of care manifested by such person; the economic

benefit which delayed compliance may confer upon such person; the nature, extent and degree of success of such person's efforts to minimize or mitigate the effects of such violation upon the environment; such person's history of previous violations; and the ability of such person to pay such penalty. Any civil penalty assessed pursuant to this authority shall not exceed \$25,000.00 for each violation, provided however, that the total penalty assessed in an order issued by the Department shall not exceed \$250,000.00. Each day such violation continues shall constitute a separate violation. In arriving at this civil penalty, the Department has considered the following:

A. SERIOUSNESS OF THE VIOLATION: Beck conducted unauthorized open burning of regulated materials. The Department considers this violation to be serious.

B. THE STANDARD OF CARE: There appeared to be no care taken by Beck to comply with the applicable requirements of the ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4 at the time of the violation.

C. ECONOMIC BENEFIT WHICH DELAYED COMPLIANCE MAY HAVE CONFERRED: Beck likely derived an economic benefit by not legally disposing of the materials.

D. EFFORTS TO MINIMIZE OR MITIGATE THE EFFECTS OF THE VIOLATION UPON THE ENVIRONMENT: There were no efforts by Beck to mitigate possible effects of this violation upon the environment.

E. HISTORY OF PREVIOUS VIOLATIONS: Beck has been conducting unauthorized open burning at least since November 12, 2019, although several authorities had advised against it.

F. THE ABILITY TO PAY: Beck has not alleged an inability to pay the civil penalty.

G. OTHER FACTORS: The Department has carefully considered the six statutory penalty factors enumerated in Ala. Code § 22-22A-5(18)c., *as amended*, as well as the need for timely and effective enforcement, and has concluded that a civil penalty herein is appropriate (*See* “Attachment A”, which is hereby incorporated into these Findings).

ORDER

Based upon the foregoing FINDINGS and pursuant to Ala. Code §§22-22A-5(10), 22-22A-5(12), 22-22-5(18), and 22-28-18, *as amended*, it is hereby ORDERED:

A. That, not later than forty-five days after the issuance of this Order, Beck shall pay to the Department a civil penalty in the amount of \$5,000.00 for the violation cited herein. Said penalty shall be made payable to the Alabama Department of Environment Management by certified or cashier’s check and shall be submitted to:

Office of General Counsel
Alabama Department of
Environmental Management
P.O. Box 301463
Montgomery, Alabama 36130-1463

B. That, immediately upon receipt of this Order and continuing thereafter, Beck shall ensure immediate and future compliance with ADEM Admin. Code r. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. That, should any provision of this Order be declared by a court of competent jurisdiction or the Environmental Management Commission to be inconsistent with Federal or State law and therefore unenforceable, the remaining provisions hereof shall remain in full force and effect.

D. Except as otherwise set forth herein, this Order is not and shall not be interpreted to be a permit or modification of an existing permit under federal, State or local law, and shall not be construed to waive or relieve Beck of his obligations to comply in the future with any permit or other written direction from the Department.

E. That, issuance of this Administrative Order does not preclude the Department from seeking criminal fines or other appropriate sanctions or relief against Beck for the violation cited herein.

F. That, failure to comply with the provisions of this Administrative Order shall constitute cause for commencement of legal action by the Department against Beck for recovery of additional civil penalties, criminal fines, or other appropriate sanctions or relief.

ORDERED and ISSUED this _____ day of _____, 2020.

Lance R. LeFleur, Director
Alabama Department of Environmental
Management
1400 Coliseum Boulevard
Montgomery, Alabama 36110-2059
(334) 271-7700
