RE: NPDES AL0048194-Carson & Co., Inc.

Wayne:

As a follow up to your conversation this morning with my assistant, Carson & Co., Inc. will not be renewing our permit which expires August 31, 2021. We did not process at all in December, 2020 and we will not process at all in 2021.

Please terminate our permit as soon as possible.

We have enjoyed working with you and we appreciate all of your help over the years.

Sincerely,

Carson Kimbrough
President

Holt, Wayne A
