

ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT (ADEM)
CONSTRUCTION STORMWATER COMPLIANCE AND REGISTRATION PROGRAM

Attached for your information are internet sites listing construction stormwater QCPs. ADEM does not have any reciprocal agreements with other states' programs. ADEM does not review credentials on an individual basis or recognize individuals. A professional must be recognized/certified in good standing by one of the listed groups to be recognized by ADEM as a QCP.

ADEM currently recognizes the following QCPs:

- Alabama Registered Professional Engineer (PE)
- Certified Professional In Erosion And Sediment Control (CPESC)
- Alabama Registered Landscape Architect
- Alabama Registered Land Surveyor (LS)
- Alabama Registered Professional Geologist (PG)
- Alabama Registered Forester (RF)
- Registered Environmental Manager (REM) as determined by the National Registry of Environmental Professionals (NREP)
- Certified Professional Soil Scientist (CPSSc) as determined by ARCPACS
- HBAA Builder-QCP or BQCP

CPESC, Inc. headquarters can usually be reached easily at the telephone number and email address listed on the CPESC, Inc. homepage at <http://www.cpesc.org> and this site can provide the Program Requirements and Application.

Alabama licensed PE or LS - <http://www.bels.state.al.us>
