

Pursuant to ADEM Admin. Code R.335-6-12-.05(5) [Facility Identification] the registrant is required to post and maintain facility identification. The registrant is required to post a sign at easily accessible location(s) to identify the site. The registrant may use this example sign or create and use a sign with equivalent identifying information. If this sign is used, please make copies to post, and keep this original in your files. PLEASE COMPLETE ALL ENTRIES. PLEASE PRINT CLEARLY USING BLUE/BLACK INK.
