MEMORANDUM

TO: Alabama Tank Trust Fund Approved Response Action Contractors

FROM: Dorothy S. Malaier, Chief   
UST Corrective Action Section

RE: **New Mileage Rate Effective January 1, 2015**

Effective January 1, 2015, the mileage rate reimbursed under the Alabama Tank Trust Fund will be changed to a maximum of 57.5 cents per mile for travel expenses occurring on or after **January 1, 2015**. Cost Proposals submitted on or after January 1, 2015, can include mileage rates of up to 57.5 cents per mile.

When travel occurs in 2015 but the funding was approved on a cost proposal prior to January 1, 2015, the contractor may charge the new 57.5 cents per mile rate for that 2015 travel event. Reimbursement requests for travel occurring prior to January 1, 2014 should adhere to the maximum allowable mileage rate allowed for that time period.

The current mileage rate for the drill rig mobilization/demobilization can be modified on the Alabama Tank Trust Fund Unit Rate Cost Proposal and Payment Request forms by selecting the "Maximum Allowable Rates" category on the Main Tab. The mileage rate field can be updated and is located under the "Drilling" heading. Changing the mileage rate in this field will automatically change the rates on form C of the Unit Rate Cost Proposal and Payment Request forms. The Trust Fund Contractor vehicle mileage rate is entered directly into the "Mileage Rate" field under the Travel section of Form B on the Unit Rate Cost Proposal and Payment Request forms.

Should there be any questions regarding this rate, please contact the ADEM UST Corrective Action Section project manager for the specific UST release incident in question, or you can contact me at (334)270-5613 or John Dean at (334)271-7846.
