Any of the above listed staff can be contacted to assist you with questions about UST corrective action issues and to receive information about sites. However, the following list is provided to direct you to the current personnel who handle specific corrective action and Trust Fund issues at this time:

- Reporting new releases:  
Tyler Sims
- Closure Site Assessments:  
Tyler Sims
- Alabama Tank Trust Fund Contractor Approval Information and Trust Fund Contractor Insurance Certificates:  
John Dean
- Federal LUST Trust Fund sites:  
Rachael McManus  
Jim Heller

- Determining if a site has an assigned UST Release Incident Number:

Go to ADEM website [www.adem.alabama.gov](http://www.adem.alabama.gov)

Select ADEM Programs, select Waste/Remediation/Underground Storage Tanks, select UST Corrective Action, scroll down and select the UST Release Incident list.
