ADEM Form 028

Notice of Intent – NPDES General Permit Number ALG870000
(Pesticides)

Pursuant to ADEM Admin. Code r. 335-6-1-.04 and the NPDES General Permit Number ALG870000, Notices of Intent for NPDES General Permit Number ALG870000 (ADEM Form 028) are currently required to be submitted electronically. ADEM’s Alabama Environmental Permitting and Compliance System (AEPACS) at https:\adem.alabama.gov/AEPACS is now the only method available for electronic submission of such Notices of Intent.

AEPACS allows for dynamic smart forms to be developed. Therefore, ADEM Form 028 has been transformed into multiple variations suited for the specific purpose of the Notice of Intent. This form package includes the following variations of this form in human readable format:

1. Pesticides (ALG870000) - NOI - New (Form 028)
2. Pesticides (ALG870000) - NOI - Information Update (Form 028)
3. Pesticides (ALG870000) - NOI - Modification/Transfer (Form 028)
4. Pesticides (ALG870000) - NOI - Reissuance (Form 028)

Applicants may apply for a waiver from electronic submittal of this form in accordance with ADEM Admin. Code r. 335-6-1-.04(6), but a hardcopy submittal of ADEM Form 028 may not be accepted unless the Department first approves such waiver. The hardcopy form is also include at the end of this form package. There are differences between the electronic versions of the forms due to the availability of conditionality and the ability to prefill data fields.
Pesticides (ALG870000) - NOI - New (Form 028)

Notice of Intent – Pesticides General Permit (PGP) Number ALG870000 (Form 028)

NPDES permit ALG870000 is a general permit authorizing discharges associated with pesticide applications in, over, or near waters of the state. This permit is available to Operators who discharge to waters of the State, from the application of (1) biological pesticides or (2) chemical pesticides that leave a residue, when the pesticide application is for one of the following pesticide use patterns: (a) Mosquito and other flying insect pest control; (b) weed and algae pest control; (c) animal pest control; (d) forest canopy or other area-wide pest control (as defined in Permit Part I.B.)

Operators meeting the eligibility provisions outlined in Part I.B., and whose discharges are not subject to the requirement to submit an NOI, as defined in Part I.C.2., are automatically authorized to discharge upon the effective date of this permit, October 31, 2016, in compliance with the requirements of this permit without submission of an NOI.

Any operator exceeding an annual treatment area threshold listed in Table 1 (Permit Part I.C.2.) below is required to submit an NOI to obtain coverage under this general permit for discharges to waters of the State as a result of the application of pesticides.

Permit Part I.C.2.

Pursuant to Part I.B.2(a) of the general permit, discharges from a pesticide application to a water of the State are not authorized by this permit if the water is identified as being impaired by that pesticide or its degradates. For the purposes of this permit, impaired waters are those that have been identified by the State, pursuant to Section 303(d) of the CWA, as not meeting applicable State water quality standards and those waters with EPA approved or EPA-established Total Maximum Daily Loads (TMDLs) for a pesticide or its degradates.

Please click here for the Alabama 303(d) list of Impaired Waters

Please click here for Information on Alabama TMDLs

Please click here for the permit fee schedule

Pesticide Discharge Management Plans (PDMP)

Any Operator who is required to submit NOI, must prepare a Pesticide Discharge Management Plan (PDMP) by the time the NOI is filed.

Click the link below for a template of the PDMP:

Instructions

Please complete all questions and attach all necessary documentation as prompted throughout the application process. Incomplete or incorrect information will delay processing.

***APPLICATION WILL NOT BE PROCESSED UNTIL FULL PAYMENT IS RECEIVED***
Can this be covered by a General Permit?

Pursuant to Part I.B.2(a) of the general permit, discharges from a pesticide application to a water of the State are not authorized by this permit if the water is identified as being impaired by that pesticide or its degradates. For the purposes of this permit, impaired waters are those that have been identified by the State, pursuant to Section 303(d) of the CWA, as not meeting applicable State water quality standards and those waters with EPA approved or EPA-established Total Maximum Daily Loads (TMDLs) for a pesticide or its degradates.

Is/are the receiving water(s) impaired for the pesticide(s) being used, an active ingredient of the pesticide, or a degradate of an active ingredient of the pesticide(s)?

Pursuant to ADEM Administrative Code Rule 335-6-6-.09 (1), this NOI must be signed by a responsible official, as indicated below:

(a) In the case of a corporation, by a principal executive officer of at least the level of vice president, or a manager assigned or delegated in accordance with corporate procedures, with such delegation submitted in writing if required by the Department, who is responsible for manufacturing, production, or operating facilities and is authorized to make management decisions which govern the operation of the regulated facility;
(b) In the case of a partnership, by a general partner;
(c) In the case of a sole proprietorship, by the proprietor; or
(d) In the case of a municipal, state, federal, or other public entity by either a principal executive officer, or ranking elected official.

ADEM Administrative Code Rule 335-6-.09(2):

All reports required by permits and other information requested by the Department shall be signed by a person described in paragraph 335-6-6-.09(1) or by a duly authorized representative of that person. A person is a duly authorized representative only if:
(a) The authorization is made in writing by a person described in paragraph 335-6-6-.09(1);
(b) The authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity and;
(c) The written authorization is submitted to the Department.

Will a duly authorized representative be submitting this NOI?

Pesticides (ALG870000) - NOI - Modification/Transfer (Form 028)

Pesticide General Permit (PGP)-Modification and/or Transfer of Permit Coverage

NPDES permit ALG870000 is a general permit authorizing discharges associated with pesticide applications in, over, or near waters of the State. This permit is available to Operators who discharge to waters of the State, from the application of (1) biological pesticides or (2) chemical pesticides that leave a residue, when the pesticide application is for one of the following pesticide use patterns: (a) Mosquito and other flying insect pest control; (b) weed and algae pest control; (c) animal pest control; (d) forest canopy or other area-wide pest control (as defined in Permit Part I.B.)

A modification to your current permit may include one or more of the following:

- Operator name change or Transfer Permit to a New Operator (Requires a signed Transfer Agreement, Form 466)
- Addition of new receiving water(s) and/or treatment areas
- Addition of pesticide use pattern

Please click here for the Transfer Agreement, Form 466
Please click here for the Alabama 303(d) list of Impaired Waters
Please click here for Information on Alabama TMDLs
Please click here for the permit fee schedule

Instructions

Please complete all questions and attach all necessary documentation as prompted throughout the application process. Incomplete or incorrect information will delay processing.

Pesticides (ALG870000) - NOI - Modification/Transfer (Form 028)

Form Input
* This form may contain one or more sections or controls that are conditionally displayed based on answers provided in other parts of the form

Processing Information

Pursuant to Part I.B.2(a) of the general permit, discharges from a pesticide application to a water of the State are not authorized by this permit if the water is identified as being impaired by that pesticide or its degradates. For the purposes of this permit, impaired waters are those that have been identified by the State, pursuant to Section 303(d) of the CWA, as not meeting applicable State water quality standards and those waters with EPA approved or EPA-established Total Maximum Daily Loads (TMDLs) for a pesticide or its degradates.

Is the receiving water(s) impaired for the pesticide(s) being used, an active ingredient of the pesticide, or a degrade of an active ingredient of the pesticide(s)?

- Yes
- No

STOP

You have indicated that the intended pesticide application would have discharges to waters of the State that are identified as being impaired by that pesticide or its degradants. Therefore, coverage under this General Permit cannot be granted.

Please click here to view an area assignment map in order to contact the appropriate permitting staff for further information.

Brief description of the action/change that has resulted in the request for permit modification(s):

**Duly Authorized Representative (DAR)**

Pursuant to ADEM Administrative Code Rule 335-6-6-.09 (1), this NOI must be signed by a responsible official, as indicated below:

(a) In the case of a corporation, by a principal executive officer of at least the level of vice president, or a manager assigned or delegated in accordance with corporate procedures, with such delegation submitted in writing if required by the Department, who is responsible for manufacturing, production, or operating facilities and is authorized to make management decisions which govern the operation of the regulated facility;

(b) In the case of a partnership, by a general partner;

(c) In the case of a sole proprietorship, by the proprietor; or

(d) In the case of a municipal, state, federal, or other public entity by either a principal executive officer, or ranking elected official.

ADEM Administrative Code Rule 335-6-.09(2):

All reports required by permits and other information requested by the Department shall be signed by a person described in paragraph 335-6-6-.09(1) or by a duly authorized representative of that person. A person is a duly authorized representative only if:

(a) The authorization is made in writing by a person described in paragraph 335-6-6-.09(1);

(b) The authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity and;

(c) The written authorization is submitted to the Department.

**Will a duly authorized representative be submitting this NOI?**

- Yes
- No

Pesticides (ALG870000) - NOI - Reissuance (Form 028)

Pesticides – Reissuance (Form 028)

NPDES Permit Number ALG870000 is a general permit authorizing discharges from the application of pesticides. Major Modifications include one or more of the following:

- Addition of a Co-permittee
- Change of Ownership (also requires a Transfer Agreement, Form 466)
- Operator Mailing/Physical Address Change
- Operator Name Change
- Reissuance/Renewal

Instructions

Please complete all questions and attach all necessary documentation as prompted throughout the application process. Incomplete or incorrect information will delay processing.

***APPLICATION WILL NOT BE PROCESSED UNTIL FULL PAYMENT IS RECEIVED***
Pesticides (ALG870000) - NOI - Reissuance (Form 028)

Processing Information

Pursuant to Part I.B.2(a) of the general permit, discharges from a pesticide application to a water of the State are not authorized by this permit if the water is identified as being impaired by that pesticide or its degradates. For the purposes of this permit, impaired waters are those that have been identified by the State, pursuant to Section 303(d) of the CWA, as not meeting applicable State water quality standards and those waters with EPA approved or EPA-established Total Maximum Daily Loads (TMDLs) for a pesticide or its degradates.

Is/are the receiving water(s) impaired for the pesticide(s) being used, an active ingredient of the pesticide, or a degrade of an active ingredient of the pesticide(s)? *Select One

- Yes
- No

STOP

You have indicated that the intended pesticide application would have discharges to waters of the State that are identified as being impaired by that pesticide or its degradants. Therefore, coverage under this General Permit cannot be granted.

Please click here to view a zone assignment map in order to contact the appropriate permitting staff for further information.

Does this reissuance include a Permittee name or ownership change? (Requires Transfer Form 466) *Select One

- Yes
- No

* This control is conditionally displayed based on answers provided in other parts of the form

Attach Transfer Agreement (Form 466)

* This control is conditionally displayed based on answers provided in other parts of the form

Please attach the signed Transfer Agreement (Form 466) here.

Pursuant to ADEM Administrative Code Rule 335-6-6-.09 (1), this NOI must be signed by a responsible official, as indicated below:

(a) In the case of a corporation, by a principal executive officer of at least the level of vice president, or a manager assigned or delegated in accordance with corporate procedures, with such delegation submitted in writing if required by the Department, who is responsible for manufacturing, production, or operating facilities and is authorized to make management decisions which govern the operation of the regulated facility;
(b) In the case of a partnership, by a general partner;
(c) In the case of a sole proprietorship, by the proprietor; or
(d) In the case of a municipal, state, federal, or other public entity by either a principal executive officer, or ranking elected official.

ADEM Administrative Code Rule 335-6-.09(2):

All reports required by permits and other information requested by the Department shall be signed by a person described in paragraph 335-6-6-.09(1) or by a duly authorized representative of that person. A person is a duly authorized representative only if:
(a) The authorization is made in writing by a person described in paragraph 335-6-6-.09(1);
(b) The authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity and;
(c) The written authorization is submitted to the Department.

Will a duly authorized representative be submitting this NOI?

☐ Yes ☐ No

**ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

**NOTICE OF INTENT – NPDES GENERAL PERMIT NUMBER ALG870000**

**Instructions:** This form may be used to submit a Notice of Intent for coverage under NPDES Permit Number ALG870000 ONLY if the applicant has been granted a waiver from electronically submitting this form pursuant to ADEM Admin. Code r. 335-6-1-.04(6). NPDES Permit Number ALG870000 is the general permit authorizing discharges from the application of pesticides. Please complete all questions. Incomplete or incorrect answers, or missing signatures will delay processing.

**Restrictions for Coverage:** Pursuant to Part I.B.2(a) of the general permit, discharges from a pesticide application to a water of the State are not authorized by this permit if the water is identified as being impaired by that pesticide or its degradates. For the purposes of this permit, impaired waters are those that have been identified by the State, pursuant to Section 303(d) of the CWA, as not meeting applicable State water quality standards and those waters with EPA approved or EPA-established Total Maximum Daily Loads (TMDLs) for a pesticide or its degradates.

III. PESTICIDE USE PATTERNS

Check all that apply:

(a)  ☐ Mosquito and Other Flying Insect Pest Control  
(b)  ☐ Weed and Algae Pest Control  
(c)  ☐ Animal Pest Control  
(d)  ☐ Forest Canopy or Other Area-Wide Pest Control

For each use pattern checked above, provide the following information (attach additional pages if necessary):

**Use Pattern from above:**

**Receiving Waters (check one):**

☐ Coverage requested for specific waters of the State within the areas identified on the location map. **Complete Section IV. below.**

☐ Coverage requested for all waters of the State within the areas identified on the location map, or

☐ Coverage requested for all waters of the State within the areas identified on the location map, except the following: 

____________________________________________________________________________________________________________________

____________________________________________________________________________________________________________________

(If you checked either Box (2) or (3) for Receiving Waters box above, skip Section IV. below)

IV. RECEIVING WATERS

For each use pattern checked above, provide the following information (attach additional pages if necessary):

**Use Pattern from above:**

List the name of each receiving water for the indicated Use Pattern above (attach additional pages if necessary). Please also indicate if the discharges enter an unnamed tributary to the receiving water. In addition, indicate enters a storm sewer prior to the receiving water, and if the storm sewer is under the jurisdictions of an MS4. Please refer to ADEM Admin. Code 335-6-11 for a detailed list of water use classifications.

V. ONRW WATERS AND WATER QUALITY IMPAIRED WATERS

Is/are the receiving water(s) classified as an ONRW water, as defined by Part VII.Q.40 of the general permit and ADEM Admin. Code r. 335-6-11-02? □ Yes □ No

If yes, please list the ONRW water(s) below:

______________________________
______________________________
______________________________
______________________________

NOTE: ONRW waters are identified in ADEM Admin. Code r. 335-6-11-02

Pursuant to Part I.B.2(a) of the general permit, discharges from a pesticide application to a water of the State are not authorized by this permit if the water is identified as being impaired by that pesticide or its degradates. For the purposes of this permit, impaired waters are those that have been identified by the State, pursuant to Section 303(d) of the CWA, as not meeting applicable State water quality standards and those waters with EPA-approved or EPA-established Total Maximum Daily Loads (TMDLs) for a pesticide or its degradates.

Is/are the receiving water(s) impaired for the pesticide(s) being used, an active ingredient of the pesticide, or a degradate of an active ingredient of the pesticide(s)? □ Yes □ No

Current lists of 303(d) and TMDL waters are available on the ADEM website at http://www.adem.state.al.us/programs/water/waterquality.cnt

VI. PESTICIDE APPLICATION TREATMENT AREA MAP

Please attach a USGS or equivalent topographic map outlining the pesticide application treatment area. If multiple use patterns with different treatment areas are to be permitted, please provide a map for each use pattern and each different treatment area.

VII. PLANNED PESTICIDE USE ACTIVE INGREDIENTS

Please provide a list of the active ingredients for any planned pesticide use:

XI. DULY AUTHORIZED REPRESENTATIVE (DAR)

If a Duly Authorized Representative will be signing this NOI, the DAR must provide the following information and attach the appropriate documentation meeting the requirements below for a duly authorized representative. The document must be dated within the last 12 months

Name (including prefix): ___________________________ Title: ___________________________

Organization Name: ___________________________

Mailing Address: ___________________________

Phone Number: ___________________________ Email: ___________________________

Signature: ___________________________ Date Signed: ___________________________

XII. OPERATOR/RESPONSIBLE OFFICIAL SIGNATURE

“I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine or imprisonment for knowing violations. I further certify that the applicant has sufficient title, right or interest in the property where the proposed activity occurs.”

Name ___________________________ Official Title ___________________________

Signature: ___________________________ Date Signed: ___________________________

Pursuant to ADEM Administrative Code Rule 335-6-6-09 (1), this NOI must be signed by a responsible official, as indicated below:

(a) In the case of a corporation, by a principal executive officer of at least the level of vice president, or a manager assigned or delegated in accordance with corporate procedures, with such delegation submitted in writing if required by the Department, who is responsible for manufacturing, production, or operating facilities and is authorized to make management decisions which govern the operation of the regulated facility;

(b) In the case of a partnership, by a general partner;

(c) In the case of a sole proprietorship, by the proprietor; or

(d) In the case of a municipal, state, federal, or other public entity by either a principal executive officer, or ranking elected official.

ADEM Administrative Code Rule 335-6-09(2):

All reports required by permits and other information requested by the Department shall be signed by a person described in paragraph 335-6-6-09(1) or by a duly authorized representative of that person. A person is a duly authorized representative only if:

(a) The authorization is made in writing by a person described in paragraph 335-6-6-09(1);

(b) The authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity and;

(c) The written authorization is submitted to the Department.
