   Performance Standards (NSPS), and National Emissions Standards for Hazardous Air Pollutants (NESHAPs). 
   Chapter 335-3-19 is being revised to include EPA’s amendments to the Emissions Guidelines and 
   Compliance Times for Municipal Solid Waste Landfills. Revisions are being made to Chapter 335-3-8 to 
   correct and clarify monitoring requirements under the NOx SIP call as promulgated by EPA. Appendix C is 
   being proposed for revision to reflect EPA’s amendments to New Source Performance Standards and 
   National Emissions Standards for Hazardous Air Pollutants as proposed to adopt by reference. Chapter 
   335-3-8 is considered part of the federally-enforceable State Implementation Plan (SIP). Revisions to this 
   Chapter are proposed to be incorporated into Alabama’s SIP. The Department held a public hearing on 
   the proposed amendments on September 8, 2021.

7. CONSIDERATION OF PROPOSED AMENDMENTS TO ADEM ADMINISTRATIVE CODE DIVISION 335-13,
   SOLID WASTE PROGRAM REGULATIONS

   The Commission will consider proposed amendments to ADEM Administrative Code Division
   335-13, Solid Waste Program Regulations. Revisions to ADEM Administrative Code Division 335-13 are
   being proposed to ensure consistency with State and Federal statutes and provide clarification of State 
   requirements for the management of solid wastes. These changes include updated language to 
   incorporate recent statutory revisions related to alternate cover material, changes to the permit 
   modification process to provide greater public participation for certain types of modifications, and minor 
   technical revisions to clarify certain regulatory requirements. The provisions for obtaining a permit for 
   landfill units, composting facilities, and coal combustion residual (CCR) facilities were relocated to 
   Chapter 5 to provide a single location for all permitting requirements. The Department held a public 
   hearing on the proposed amendments on September 7, 2021.
8. **LEE COUNTY COMMISSION, PETITIONER V. ADEM, RESPONDENT, EMC DOCKET NO. 21-05 (NPDES-RELATED MATTER)**

   The Commission will consider the Motion for Stay and request for oral argument on the Motion for Stay filed with Petitioner Lee County Commission’s appeal/request for hearing regarding ADEM’s issuance of NPDES Permit AL0084191 on August 30, 2021, to CreekWood Resources, LLC, Shady Grove Quarry, Opelika, Alabama.

9. **BLACK WARRIOR RIVERKEEPER, INC., PETITIONER AND ALABAMA RIVERS ALLIANCE, INTERVENOR/PETITIONER V. ADEM, RESPONDENT, EMC DOCKET NO. 20-02**

   The Commission will consider the Hearing Officer’s Order and Recommendation, in which the Hearing Officer recommends that the Commission deny the Petitioners’ appeal of the Department’s rules and regulations ("Rules") concerning land application of certain biosolids and other materials defined in the Rules as beneficial materials. The Rules are codified in ADEM Administrative Code r. § 335-13-16, entitled,"Requirements for Beneficial Use of By-Product Materials for the Purpose of Land Application.” The Hearing Officer finds in his Order and Recommendation that the Commission has no jurisdiction over an appeal of the type the Petitioners brought in this case.
