² Order # 00-076-CHW/AP is included in totals for both air and land orders but is counted only once for purposes of total orders.

³ The total number of orders issued was 225. However, since Order # 01-073-HW/WP is counted as both a hazardous waste order and a water order, totaling the number of Land, Air and Water orders will result in a total of 226.

⁴ Order # 96-057-GW/HW is counted in the total amount of penalties but is counted as both a land and water order for purposes of these totals.

⁵ Because #00-076-CHW/AP and 00-155-CGW/CWP is counted in each program total, the total of program penalties is more than the actual penalties assessed.

⁶ Order # 08-137-CWP/SW is counted as both a surface water order and a solid waste order. Thus, adding the totals of Land, Air, and Water orders will result in a total of 1 more order than was actually issued.

⁷ Order # 08-137-CWP/SW is counted as both a surface water order and a solid waste order. Thus, adding the total penalties for Land, Air, and Water orders will result in a total \$25,000 more than was actually assessed.
