

# MOODY FIRE UPDATE

---

## Feb. 18, 2023 Report

by aldeptenvironmentalmanagement | Feb 21, 2023 | ADEM | 0 comments

### Activities:

- Crews are working to level and grade fill material in the middle portion of the site
- Crews are lining the perimeter of the northeast portion of the site with riprap for erosion control and sediment containment
- Perimeter of the northern portion of the site is being trenched for riprap application

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
