### Site conditions:

- Less smoke was observed than the day before, and the ground was muddier due to rain

### Activities:

- Rip rap and other stone were staged for use
- A “No Dumping” sign was placed at the site entrance
- Some 183 truckloads of material were hauled from the borrow pit to the site on Tuesday, and 150 and 200 loads were expected to be moved today if conditions permit

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
