

MOODY FIRE UPDATE

March 14, 2023 Report

by aldeptenvironmentalmanagement | Mar 14, 2023 | ADEM | 0 comments

Site Conditions:

- No smoke was observed today
- Odor prevalent only on the southern section of the site

Activities:

- Work continues on moving fill material to the northern section of the site and grading and compacting the area
- Capping the site could be completed around March 24, depending on weather conditions

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
