

# MOODY FIRE UPDATE

---

## March 15, 2023 Report

by aldeptenvironmentalmanagement | Mar 15, 2023 | ADEM | 0 comments

### Site Conditions:

- No smoke was observed
- Odor was still prevalent on the southern section

### Activities:

- Crews conditioned moving fill material from the southern section to the northern section, and grading and compacting there
- Heavy equipment will remain in use onsite through the end of March

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
