

MOODY FIRE UPDATE

March 22, 2023 Report

by aldeptenvironmentalmanagement | Mar 23, 2023 | ADEM | 0 comments

Site Conditions:

- Mostly dry, with mud in some areas

Activities:

- Workers put straw on the top of the hill on the northern section, and seeded and fertilized the section
- They plan to seed the northwestern slope and put straw on that as well

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
