### Site Conditions:

- Most of the site has been seeded and grassed

### Activities:

- Closed out borrow pit
- Continued to seed and grass
- EPA and contractor continued to demobilize
- Most of the heavy equipment will be removed from the site next week
- A water truck will be left on site until all other equipment has been removed

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
