

MOODY FIRE UPDATE

March 6, 2023 Report

by aldeptenvironmentalmanagement | Mar 6, 2023 | ADEM | 0 comments

Site Conditions:

- No smoke can be observed
- Site is dry today

Activities:

- Work resumed today to haul dirt to the back side of the site and to start seeding grass on the slopes and at the entrance
- EPA plans to maintain air monitoring stations at the site and at the nearest residence, as well as a mobile air monitoring station and others will be removed

The Alabama Department of Environmental Management (ADEM) has created Moody Fire Update to inform the public of ongoing efforts to extinguish the fire at the Environmental Landfill LLC vegetative waste disposal site near Moody.
