

ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

IN THE MATTER OF: )
Alabama Landscape Creations LLC ) Proposed
Jemison, Chilton County, Alabama ) ADMINISTRATIVE
ORDER NO: 21-XXX-AP

FINDINGS

Pursuant to the provisions of the Alabama Environmental Management Act, Ala. Code §§ 22-22A-1 to 22- 22A-17, as amended, the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended, the Alabama Department of Environmental Management (hereinafter, the "Department" or "ADEM") Administrative Code of Regulations (hereinafter, "ADEM Admin. Code R.") promulgated pursuant thereto, and the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended, the Department makes the following FINDINGS:

- 1. Alabama Landscape Creations LLC (hereinafter, "ALC") is a landscaping company operating in and around Jemison, Chilton County, Alabama.
2. The Department is a duly constituted department of the State of Alabama pursuant to Ala. Code §§ 22-22A-1 to 22-22A-16, as amended.
3. Pursuant to Ala. Code § 22-22A-4(n), as amended, the Department is the state air pollution control agency for the purposes of the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, as amended. In addition, the Department is authorized to administer and enforce the provisions of the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended.

4. ADEM Admin. Code r. 335-3-3-.01(2)(b)1 states that “...open burning must take place on the property on which the combustible fuel originates.”

5. ADEM Admin. Code r. 335-3-3-.01(2)(b)4 states that “Only vegetation and untreated wood may be burned. It is unauthorized to open burn heavy oils, asphalt products, plastics, vinyl materials, insulation, paper, cardboard, natural or synthetic rubber, salvage or scrap materials, chemicals, garbage, treated or painted wood, or any trash.”

6. On April 15, 2021, the Department received a complaint of open burning taking place at 10000 County Road 42, (hereinafter, the “Site”) in Jemison, Chilton County, Alabama. The burn pile consisted of, but was not limited to: lumber, bricks, metal, and vegetation that did not originate on site. Based on this evidence, unauthorized open burning had been conducted at the Site, in violation of ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

7. On April 22, 2021, the Department issued a Notice of Violation (NOV) to ALC requesting that it submit a written response regarding the unauthorized open burning.

8. On April 27, 2021, the Department received the requested response from ALC stating that the City of Jemison had ordered the Site to be cleared within ten days. ALC stated they burned the material to clear the Site.

9. Pursuant to Ala. Code § 22-22A-5(18)c., *as amended*, in determining the amount of any penalty, the Department must give consideration to the seriousness of the violation, including any irreparable harm to the environment and any threat to the health or safety of the public; the standard of care manifested by such person; the economic benefit which delayed compliance may confer upon such person; the nature, extent and degree of success of such person's efforts to minimize or mitigate the effects of such

violation upon the environment; such person's history of previous violations; and the ability of such person to pay such penalty. Any civil penalty assessed pursuant to this authority shall not exceed \$25,000.00 for each violation, provided however, that the total penalty assessed in an order issued by the Department shall not exceed \$250,000.00. Each day such violation continues shall constitute a separate violation. In arriving at this civil penalty, the Department has considered the following:

A. SERIOUSNESS OF THE VIOLATION: ALC conducted unauthorized open burning at the Site and the Department considers this violation to be serious.

B. THE STANDARD OF CARE: There appeared to be no care taken by ALC to comply with the applicable requirements of the ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. ECONOMIC BENEFIT WHICH DELAYED COMPLIANCE MAY HAVE CONFERRED: ALC likely derived economic benefit by not properly disposing of debris.

D. EFFORTS TO MINIMIZE OR MITIGATE THE EFFECTS OF THE VIOLATION UPON THE ENVIRONMENT: There were no efforts taken by ALC to mitigate possible effects of this violation upon the environment.

E. HISTORY OF PREVIOUS VIOLATIONS: ALC has a previous history of violations with the Department for unauthorized open burning.

F. THE ABILITY TO PAY: ALC has not alleged an inability to pay the civil penalty.

G. OTHER FACTORS: The Department has carefully considered the six statutory penalty factors enumerated in Ala. Code § 22-22A-5(18)c., *as amended*, as well as the need for timely and effective enforcement, and has concluded that a civil penalty

herein is appropriate (*See* “Attachment A”, which is hereby incorporated into these Findings.)

ORDER

Based upon the foregoing FINDINGS and pursuant to Ala. Code §§22-22A-5(10), 22-22A-5(12), 22-22-5(18), and 22-28-18, as amended, it is hereby ORDERED:

A. That, not later than forty-five days after the issuance of this Order, ALC shall pay to the Department a civil penalty in the amount of \$5,000.00 for the violations cited herein. Said penalty shall be made payable to the Alabama Department of Environment Management by certified or cashier’s check and shall be submitted to:

Office of General Counsel  
Alabama Department of  
Environmental Management  
P.O. Box 301463  
Montgomery, Alabama 36130-1463

B. That, immediately upon receipt of this Order and continuing thereafter, ALC shall ensure immediate and future compliance with ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. That, should any provision of this Order be declared by a court of competent jurisdiction or the Environmental Management Commission to be inconsistent with Federal or State law and therefore unenforceable, the remaining provisions hereof shall remain in full force and effect.

D. Except as otherwise set forth herein, this Order is not and shall not be interpreted to be a permit or modification of an existing permit under federal, State or local law, and shall not be construed to waive or relieve ALC of its obligations to comply in the future with any permit or other written direction from the Department.

E. That, issuance of this Administrative Order does not preclude the Department from seeking criminal fines or other appropriate sanctions or relief against ALC for the violations cited herein.

F. That, failure to comply with the provisions of this Administrative Order shall constitute cause for commencement of legal action by the Department against ALC for recovery of additional civil penalties, criminal fines, or other appropriate sanctions or relief.

ORDERED and ISSUED this \_\_\_\_\_ day of \_\_\_\_\_, 2021.

---

Lance R. LeFleur, Director  
Alabama Department of Environmental  
Management  
1400 Coliseum Boulevard  
Montgomery, Alabama 36110-2059
