

**Summary of Reasons
Proposed Revisions to Division 13
Chapters 4, 5, 8, 11, and 12**

335-13-4 General Provisions:

- Rules 335-4-.21, 335-4-.22, 335-4-.23
 - General updates made for clarification and consistency.
 - Rules added to restrict the disposal of whole tires in a landfill with specifics outlined for “De minimis” conditions.

335-13-5 Procedures for Obtaining Permits:

- Rules 335-13-5-.02, 335-13-5-.03, 335-13-5-.04, 335-13-5-.06
 - Changes made to modify the requirements for an initial permit application.
 - Overall updates made for references to old forms and for needed adjustments to language.
 - New requirements added for Department initiated permit modifications.
 - Leachate treatment systems added to the list of minor modifications.

335-13-8 Procedures for Variances:

- Rule 335-13-5-.05
 - Added provisions to revoke variances if it is no longer needed.
 - Removed references to public hearing.

335-13-11 Solid Waste Fund Site Remediation:

- Rule 335-13-11-.05
 - Outlined requirements for Invitation to Bid
 - Made general needed updates to language

335-13-12 Landfill Operator Certification Requirements:

- Rules 335-13-12-.02, 335-13-12-.04
 - Removed requirements for experience to only be in Alabama.
 - Corrected rule citations
 - Updated training requirements
 - Modified word choices
