ADEM Notification of Regulated Waste Activity 8700-12

Description: Registration form to obtain a new EPA ID number or to maintain an active EPA ID status annually.

Issuing Division: Land **Branch:** Governmental Hazardous Waste

When is a permit required? (1) Hazardous waste generators that generate more than 220 pounds (100 kilograms) of hazardous waste or more than 2.2 pounds (1 kilogram) of acute hazardous waste in any one calendar month during the calendar year.(2) Active hazardous waste treatment, storage, or disposal facilities.(3) Hazardous waste treatment, storage, or disposal facilities that are undergoing corrective action, closure, or post closure.(4) Hazardous waste transporters or transfer facilities.(5) Companies that generate or collect more than an average of 25 gallons per month of used oil (over 300 gallons per calendar year). Companies that do not generate used oil and only collect used oil from do-it-yourself oil changers are exempt from having to file an annual notification(6) Marketers, off-spec burners, transporters (off-site), or processor/re-refiners of used oil.(7) Hazardous waste generators (conditionally exempt small quantity generators) that generate less than 220 pounds (100 kilograms) of hazardous waste or less than 2.2 pounds (1 kilogram) of acute hazardous waste in any one calendar month during the calendar year and wish to maintain an active EPA ID number. Please note that if this is the only category your company is in (conditionally exempt small quantity generator) you do not have to have an EPA ID number. However, if you wish to maintain an active EPA ID number for your own reasons, you will be required to file an annual notification and fee. The due date for filing an annual notification to maintain an active EPA ID number is based on County location of the facility.
