

Air Permit (Minor Source)

Description: Permit authorizes construction of an air emission source.

Issuing Division: Air **Branch:** Chemical or Energy

When is a permit required? All sources are required to apply for a permit, however not all are required to obtain a permit.

Permit is required ☒ **before construction** ☒ **before operation** ☐ **before discharge** ☐ **other**

Local approval required? Only for facilities treating or disposing of solid waste generated off -site'

Application procedure: Submit application with any additional forms required. Fees are determined after review of application and must be submitted upon request. Once an application has been determined to be complete and fees received, a permitting decision is made.

Base permit fee: \$2,040

Additive fees (explain): Fees can vary above the base amount depending on what requirements a source is subject to.

Term of permit: Does not expire.

Public notice required? ☒ **Yes** ☒ **No** **Length of notice:** 15 days

Public hearing required? ☐ **Yes** ☐ **No** ☒ **Departmental discretion/based on comments**

ADEM Contact Person: Lester Meredith Phone: 334-271-7885

Additional Information: Air permits may be required before construction commences. They are always required prior to source operation, if a permit is needed. A public notice is required for Greenfield sites or any other permit the Director deems as necessary.

Forms Required The forms required vary with the source type. The 103 form is always required. The contact person will vary by industry sector.

Form #	Form Name	Applicability/Notes
103	Operating Permit Application Facility Identification Form	
104	Permit Application Form for Indirect Heating Equipment (Fuel Burning Equipment)	
105	Permit Application for Manufacturing or Processing Operation	
106	Permit Application for Waste Disposal	
107	Permit Application for Stationary Internal Combustion Engines	
108	Permit Application for Loading and Storage of Organic Compounds	
109	Permit Application for Volatile Organic Compound Surface Coating Emission Source	
110	Permit Application for Air Pollution Control Device	
112	Permit Application for Solvent Metal Cleaning	
197	Permit Application for Gasoline Dispensing Facilities	
331	Permit Application for Gasoline Bulk Plants
