

Notice of Intent (NOI) for Coverage Under General NPDES Mining Permit ALG850000

Description: For the discharge of process water and stormwater runoff related to non-coal, non-metallic, sand, gravel, chert, and/or dirt surface mining operations

Issuing Division: Water **Branch:** Stormwater Management

When is a permit required? Any non-coal, non-metallic, sand, gravel, chert, and/or dirt surface mining operations with a disturbed area greater than or equal to five acres (including all associated haul roads) which does not have coverage under an Individual NPDES Permit and which does not discharge to a stream segment which is impaired for a pollutant of concern; and any non-coal, non-metallic, sand, gravel, chert, and/or dirt surface mining operations denied coverage under a separate General NPDES Permit.

Permit is required ☒ **before construction** ☐ **before operation** ☐ **before discharge**

Days from complete application to issuance: 180 (minimum)

Notes on approval timeline: A Notice of Intent is required to be submitted prior to any mining, processing, construction, land disturbance, or other regulated activity proposed to be authorized by the General Permit and 90 days prior to the General Permit expiration.

Local approval required? No.

Application procedure: Submit application form(s); a Pollution Abatement and/or Prevention Plan; a Spill Prevention, Control, and Countermeasures Plan (if applicable); and appropriate fee(s).

Base permit fee: \$5,820 (unless wet preparation) and \$6,860 (for wet preparation)

Additive fees (explain): Greenfield fee \$1,610

Term of permit: 5 years from the effective date of General Permit

Public notice required? ☐ **Yes** ☒ **No** **Length of notice:** days

Public hearing required? ☐ **Yes** ☒ **No** ☐ **Departmental discretion/based on comments**
