

New rules for the Hazardous Waste Program are effective February 14, 2026. This website will be updated shortly to reflect those changes.

**Instructions for accessing ADEM Regulations**

For a copy of the Alabama Administrative Code for Environmental Management rule, please click on the following link.

<https://admincode.legislature.state.al.us/administrative-code/335>

Scroll down the list until you find the regulations (Note: Each Division is broken out into individual chapters)

Click on the link for the individual chapter.

Each rule in the chapter should be visible on your screen.

Next to the Chapter Heading, there should be two buttons (“+show all” and “pdf”).

To review rules on the website, click the “+show all” button.

To save or print the chapter, click the “pdf button”.

Repeat the steps above for each chapter.
