EXPIRATION DATE:

Alabama Department of Environmental Management

Part I – REPORTING REQUIREMENTS

- A. Reporting. All reports, notifications or other submissions which are required by this permit should be sent by certified mail or given to

Alabama Department of Environmental Management
Land Division
Environmental Services Branch
P. O. Box 301463
Montgomery, AL 36130-1463

- B. Definitions. For purposes of this permit, terms used herein shall have the same meaning as those in ADEM Admin. Code 335-17-1 unless this permit specifically provides otherwise; where terms are not defined, the meaning associated with such terms shall be defined by a standard dictionary reference or the generally accepted scientific or industrial meaning of the term.

PART II – STORAGE MANAGEMENT REQUIREMENTS

- A. The permittee shall comply with the approved medical waste management plan and the requirements of 335-17-4-.01 and his agents and employees shall be familiar with the permittee's medical waste management plan and the requirements of 335-17.
- B. The permittee, his agents and employees shall be familiar with the permittee's spill contingency plan and the requirements of 335-17-4-.01(13).
- C. The permittee shall allow at all reasonable times representatives of the Department, upon presentation of credentials, to enter the permittee's premises, including, but not limited to, vehicles, loading and unloading facilities or any place where medical waste is located, or any place where records required by 335-17-4 are kept, for the purpose of inspection to determine compliance with the regulations and this permit. At all reasonable times, representatives of the Department shall be allowed access to and the right to copy all records required by 335-17-4 and the conditions of this permit. All inspection reports and other data collected shall be available for public inspection unless the permittee makes a showing in compliance with Code of Alabama 1975, §22-30-18 that such information is entitled to confidentiality.

PART III – PERMIT ACTIONS

- A. Permit Revocation. ADEM may revoke any permit according to the procedures and for the causes listed in 335-17-8-.06.
- B. Permit Severability. The provisions of this permit are severable and if any provisions of this permit, or the application of any provision of this permit to any circumstance, are held invalid, the application of such provision to the other circumstances and the remainder of this permit shall not be affected thereby.

- C. **Permit Modification.** Permit modifications shall be required at least thirty (30) days prior to any anticipated change utilizing forms designated by ADEM when the permittee purposes to modify its operation in any of the following ways:
 - 1. The addition of any storage equipment.
 - 2. The types of wastes to be stored are changed.
- D. **Transfer of Permits.** Permits are not transferable from one person to another except as provided by 335-17-8-.05(2).
- E. **Continuation of Expiring Permits.** The terms and conditions of an expiring medical waste permit are automatically extended pending issuance of a new permit if the permittee has submitted a complete application for reissuance of a permit in accordance with 335-17-8-.03 at least ninety (90) days prior to permit expiration, and the delay in permit issuance has not been caused by the actions of the permittee.

PART IV – EFFECT OF PERMIT.

- A. Issuance of this permit does not convey any property rights of any sort or any exclusive privilege.
- B. The issuance of this permit does not authorize any injury to persons or property, of invasion of other private rights or any infringement of Federal, State of Alabama, or local laws or regulation or preclude the institution of any legal action for violation of such laws or regulations.

PART V – PROPERTY RIGHTS. The issuance of this permit does not convey any property rights in either real or personal property, or any exclusive privileges, nor does it authorize any injury to private property or any invasion of personal rights, nor any infringement of Federal, State, or local laws or regulations.

PART VI – STATE LAWS. Nothing in this permit shall be construed to preclude the institution of any legal action or relieve the permittee from any responsibilities, liabilities, or penalties established pursuant to any applicable state laws or regulations.

PART VII – ADDITIONAL REQUIREMENTS.

- A. All records shall be maintained for a period of at least three years from date created or from the time contested by the Department and shall be available upon request for review by the Department.
- B. All treated and untreated medical waste shall only be delivered to approved storage, treatment, and disposal facilities.

PART VIII – VARIANCES.
